

2008 Conflict-of-Interest Code Biennial Notice for Multi-County Agencies

The Political Reform Act requires every multi-county agency to review its conflict-of-interest code biennially and submit a notice to its code reviewing body that specifies if the code is accurate, or alternatively, that the code must be amended.

The Fair Political Practices Commission (FPPC), as the code reviewing body for multi-county agencies, must receive the enclosed biennial notice no later than **October 1, 2008**. Return this notice to the FPPC regardless of how recently the agency's code has been approved.

If amendments are necessary, forward the revised code to the FPPC for approval within **90 days** from the date the biennial notice is filed. For example, if an agency files its notice on October 1, 2008, indicating that an amendment is necessary, the amendment is due to the FPPC by December 30, 2008. Amendments to an agency's code are not effective until they are approved by the FPPC.
